- Contents
- Contributors
- Preface

- A. True negative: Negative result when known mutation in family
 1. Negative test indicates the woman is at population risk for cancer.
 2. Counsel regarding continued risk of sporadic cancer.
 3. Psychological adjustment to the change in risk status
 4. Possible "survivor guilt"
 5. Refer for counseling as needed.
- B. Uninformative negative: Negative results when no family member is known to have a mutation
 1. Risk assessment and management based on personal and family history
- C. VUS
 1. Risk assessment and management based on personal and family history
 2. May warrant additional evaluation by an individual trained in cancer genetics
- X. Consider syndromes other than BRCA, hereditary breast and ovarian cancer
 - A. Family history should also be assessed for less common syndromes associated with breast and ovarian cancer.
 1. Cowden syndrome
 - a. Result of mutation in the PTEN gene
 - b. Features include follicular thyroid cancer, breast cancer, endometrial cancer, macrocephaly
 2. Li-Fraumeni syndrome
 - a. Result of mutation in the TP53 gene
 - b. Young-onset cancers including soft tissue sarcoma, brain tumor, acute leukemia, breast cancer
 3. Peutz-Jeaghers syndrome
 - a. Result of mutation in the STK11 gene
 - b. Increased risk for breast, ovary, colon, small bowel, testicular, and other cancers
 4. Hereditary diffuse gastric cancer syndrome
 - a. Result of mutation in the CDH1
 - b. Stomach cancer, breast cancer (lobular)
 5. Lynch syndrome
 - a. Result of mutation in the MLH1, MSH2, MSH6, or PMS2 gene

Fast Facts for Evidence-Based Practice in Nursing, Second Edition : Implementing EBP in a Nutshell

Series: Fast Facts

Authors: Godshall, Maryann

Publication Information: Ed.: Second edition. New York : Springer Publishing Company. 2016

Resource Type: eBook.

Description: Designated a Doody's Core Title! This is a pithy, pocket-sized resource for students and practicing nurses alike that delivers the foundations of evidence-based practice (EBP) and basic nursing research concepts in an easy-to-read, quick-access format. It demystifies the research process with straightforward information presented in concise sentences and bullet points. The book focuses on providing readers with the most practical information on EBP—including how to get the best evidence quickly using various databases and includes coverage of both quantitative and qualitative methods. At-a-glance charts categorize research and simple examples demonstrate concepts. The second edition has been updated to reflect rapidly changing trends and state-of-the-art information in EBP, including such new research methods as narrative inquiry and storytelling. Using proven, class-tested content for both traditional and online courses, this updated edition includes guidance on how EBP is used to obtain and retain Magnet status, and presents examples of how health care providers are integrating EBP into their practice. The text differentiates between EBP and research, often a difficult distinction for students to grasp. Extensive coverage of how EBP can be used to improve patient care includes many practical examples. Every chapter includes the popular 'Fast Facts in a Nutshell' feature, highlighting must-know information. The book also provides background information on defining the 'compelling question' which is essential to finding the appropriate evidence-based material. New to the Second Edition: Reflects new trends, research methods, and state-of-the-art EBP information. Includes guidance on how EBP is used to obtain and retain Magnet status. Provides examples of how health care providers and hospitals are integrating EBP into their practice. Differentiates between EBP and research. Discusses how EBP can be used to improve patient care.

PC에서 eBook 대출하기 절차 1

The screenshot shows the EBSCOhost search interface. At the top, there are navigation links for 'New Search', 'Dictionary', and 'eBooks'. The search bar contains the word 'business' and a 'Search' button. Below the search bar, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. On the left side, there is a 'Refine Results' panel with sections for 'Current Search' (showing 'Boolean/Phrase: business'), 'Limit To' (with checkboxes for 'Full Text' and 'Download Available'), and 'Source Types'. The main content area displays 'Search Results: 1 - 30 of 24,403'. Two search results are visible: '1. Ogallala : Water for a Dry Land' and '2. Advances in Taxation'. For each result, there are options for 'PDF Full Text', 'Download (Offline)', and 'Table of Contents'. Red dashed boxes highlight the 'Download (Offline)' buttons for both results, with a red circle containing the number '1' next to the second one. A yellow box with a red circle containing the number '2' is positioned to the right of the second result, containing the text '오프라인 대출하기' (Offline Download).

The screenshot shows the EBSCOhost website interface. At the top, there is a navigation bar with links for 'New Search', 'Dictionary', 'eBooks', 'Sign In', 'Folder', 'Preferences', 'Languages', 'Help', and 'Exit'. The 'Sign In' button is highlighted with a red box and a red circle containing the number 1. Below the navigation bar, there is a search area with a search bar, a 'Search' button, and a 'Clear' button. Below the search area, there are three search filters, each with an 'AND' dropdown and a 'Select a Field (option...)' dropdown. Below the search filters, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. Below the search area, there is a section for 'eBook Collection' with a 'Browse By Category' sidebar and a 'Highlights' section. The 'Browse By Category' sidebar lists categories such as 'Business & Economics', 'Health & Medicine', 'Political Science', 'Psychology', 'Sciences', 'Self-Help & Family', and 'Social Sciences'. The 'Highlights' section shows a book cover for 'Metabolomics: From Fundamentals to Clinical Applications'. Below the 'Browse By Category' sidebar, there is a 'Sign in to access your personalized account.' section with a list of benefits: 'Save preferences', 'Organize your research with folders', 'Share your folders with others', 'View others' folders', 'Save and retrieve your search history', 'Create email alerts and/or RSS feeds', and 'Gain access to your saved research remotely'. Below the 'Sign in to access your personalized account.' section, there is a 'User Name' field, a 'Password' field, a 'Login' button, and a 'Create a new Account' button. The 'Create a new Account' button is highlighted with a red box and a red circle containing the number 2. Below the 'Login' button, there is a checkbox for 'Load Preferences from My EBSCOhost' and links for 'Forgot your password?' and 'Forgot your user name and password?'.

1 Using What Works : Elementary School Classroom Management

Authors: [McClowry, Sandee Graham](#)

Publication Information: Lanham : Rowman & Littlefield Publishers. 2017

Resource Type: eBook

Description: Many teachers-in-training and their more experienced colleagues find classroom management challenging. Using what works: Elementary School Classroom Management invites elementary school to look beyond untested teacher strategies. Instead this book presents an evidence-based approach. Equipped with a greater knowledge of scientifically informed classroom management, teachers will learn how and why some things work, while others do not. The most current knowledge on classroom management is presented in this book in six comprehensive, yet, easily assessable chapters. Numerous evidence-based strategies for supporting classroom management are offered. In addition, interventions that have proven to work are described. Each chapter concludes with recommended readings, course assignments, and suggestions for in-depth discussions.
