STEP 1

Wiley Author Services

(wileyauthors.com)에 로그인합니다.

The image shows the Wiley Author Services login interface. At the top is the Wiley logo. Below it, the text reads "Sign in to CONNECT" followed by "to continue to Author Services". There are four social login buttons: Google, ORCID, Microsoft, and Apple. Below these is an "Email" input field and a "Continue" button. A "Sign in with passkey" option is also visible. At the bottom, there is a link for "Are you a new user? Sign up".

The image shows a notification banner with a red header that says "Action required". The main content area has a lock icon and the text "Article is eligible for Open Access coverage through your institution". Below this, it states "Wiley and University of Oxford have an agreement to cover the cost of your open access publishing." The notification includes a thumbnail of the journal cover for "International Journal of Language & Communication Disorders" and the article title "Cross-neurotype communication from an autistic point of view: Insights on autistic Theory of Mind from a focus group study". It also provides the DOI: <https://doi.org/10.1111/1460-6984.13095> and the status "Published". A red "Manage Article" button is located at the bottom right of the notification.

Please confirm your affiliations for this article

Please add your primary affiliation with the institution where the research for this article was conducted.

Correctly declaring your affiliations helps us determine if your institution can cover your open access Article Publication Charge (APC). This will not affect any information in the published article.

- Do not include any of your co-authors' affiliations
- When searching for your affiliation, select your institution only; do not include a department, office, or other subdivision (e.g., enter "University of Oxford" and not "University of Oxford Department of Economics")
- We may not have your organization or company listed in our database. This may occur with small or private organizations or companies with no prior arrangement with Wiley.)

Help with affiliations

- What does it mean if my institution is "not verified"?
- What if my department is not listed?
- What if my organization is not listed?
- Should I list the affiliations of my coauthors?
- What if I changed or moved organizations?
- What if my institution is listed, but its name or location is incorrect?

Open Access

Wiley and Assistance Publique Hopitaux de Marseille have an agreement to cover the cost of your open access publishing.

Make your article freely available for everyone to read, copy, distribute and share.

Publishing open access:

- Enables the greatest possible readership and multidisciplinary influence
- Allows your article to be cited widely and achieve the greatest possible impact in your field
- Complies with open access mandates - retain copyright and choose a Creative Commons license

← Copyright Ownership **Change my article to subscription-only** **Yes, make my article open access** →

STEP 6

Yes, make my article open access를 클릭하면 출판비용지원 요청이 기관 관리자에게 전달됩니다. 기관 관리자 승인 시 출판비용 없이 논문이 오픈 액세스로 변환됩니다.

STEP 7

Copyright ownership

The following questions will establish who has copyright ownership over the work and help us provide you with the correct license(s) to be signed and submitted.

What is copyright ownership?

Owners of the copyright to this work have control of the work's reproduction, distribution, creation of derivatives, etc. In most cases, the copyright owners are the people who contributed to the research and authored the manuscript. However, if the research was performed when acting within the scope of employment, the copyright owner could be the employer.

Do you own the copyright to this work?

Please select and confirm from the following options

Yes, I own the copyright to this work

This is the correct selection for many works

In most academic and healthcare institutions, faculty retain the copyright for work that they have authored. Please check with your institution to see if different policies apply.

No, I do not own the copyright to this work

Another party may own the copyright to this work

This can apply if:

- This work was completed as part of official duties during the course of employment. Example employers where this can apply:
 - Local government agencies (U.S., U.K., etc.)
 - Private companies
 - Intergovernmental Organizations (IGOs) or Non-governmental Organizations (NGOs)
- There is a related clause outlined in the original statement of work
- The work has been contacted or 'made for hire'
